

OCEANS WITHOUT PLASTIC

LAMPS MADE FROM RECYCLED PLASTIC

MORGANA

designed by
FERNANDO MARTÍNEZ

MORGANA

Inspired by the well-known witch from the legends of King Arthur and Merlin the wizard. The witch Morgana had the power to change shape, an ability that we have given our lamp. MORGANA is presented as a changing design, a living lamp with its own spirit. A lighting concept that allows you to play with shapes whenever you want. By sliding its rings vertically just by using your hands, the lamp changes its shape and transforms.
