

BINOCOLO 2

Parts List:

- 2X [Screw] (B)
- 2X [Screw] (C)
- 1X [Bracket] (D)
- 2X [Bracket] (E)

Tools:

- 2x PZ Screwdriver
- 1x Flathead Screwdriver
- 1x Drill
- 1x Spirit Level
- 30 min timer icon
- 1x Person icon

Installation Steps:

1. Mount the bracket (D) to the ceiling using screws (B). A 140mm dimension is indicated for the mounting hole.
2. Use a spirit level to ensure the bracket is perfectly horizontal.
3. Attach the mounting plate (E) to the bracket using screws (C). A 5mm dimension is shown for the plate's offset.
4. Prepare the ceiling junction box with a screwdriver.
5. Connect the wiring to the junction box. A 2X PZ screwdriver and a 1X flathead screwdriver are shown.
6. Insert the two light tubes into the fixture. A 2X PZ screwdriver and a 1X flathead screwdriver are shown.
7. Final assembly and testing of the fixture.
